

Starlight, Starbright / 星芒の歌

MMORPG "FINAL FANTASY XIV" 2018 SEASONAL EVENT
"STARLIGHT CELEBRATION" CHOIR

Composed by Masayoshi Soken

Lyrics probably by Koji

Quite a beautiful song if you conduct it right! Merry Christmas on Earth and Happy Starlight Celebration in Eorzea!

In bar 5-6, alto will be facing a big challenge of a really strange rhythm pattern. Bar 3 turns into a hard job for bass for the descending chromatic scale.

Lyrics are... somehow less exciting than I thought...
